

Stronelairst wind farm turbine delivery schedule Monday 13th November to Saturday 18th November

Please find below the Turbine delivery movements for Stronelairst. We will also continue to share daily updates through twitter feed @stronelairst and the A82 and Skye road watch groups on Facebook.

Due to the road works being carried out BEAR this week south of Fort Augustus we will not be carrying out deliveries Monday to Thursday this week.

Turbine components will leave Corpach harbour to our site just outside Fort Augustus. This route encompasses the local road network, the A830 from the harbour then onto to A82 trunk road heading north and finally turning right onto the B862 to the site entrance.

The police escort will ensure the safe movement of these large delivery vehicles throughout their journey. The following table provides details of the planned deliveries that will be police escorted:

Day	Approximate departure time from Corpach	Approximate time of arrival at site entrance*
Monday 13 th November	No Delivery	No Delivery
Tuesday 14 th November	No Delivery	No Delivery
Wednesday 15 th November	No Delivery	No Delivery
Thursday 16 th November	No Delivery	No Delivery
Friday 17 th November	12.30pm	15.00pm
Saturday 18 th November	10.30am	13.00pm

* Please note these times are subject to variation at short notice and will depend on weather or traffic conditions.

You can also get delivery updates by following us on Twitter at @stronelairst this feed can also be viewed on the project website www.sse.com/stronelairst.

If you have any queries relating to these deliveries, or if you would like to be added to the project update list, please contact: Corinna Scholes - Project Liaison Manager
