

## Stronelaig wind farm turbine delivery schedule Wednesday 27<sup>th</sup> September & Friday 29<sup>th</sup> September

Please find below the Turbine delivery movements for Stronelaig. We will also continue to share daily updates through twitter feed @stronelaig and the A82 and Skye road watch groups on Facebook.

Turbine components will leave Corpach harbour to our site just outside Fort Augustus. This route encompasses the local road network, the A830 from the harbour then onto to A82 trunk road heading north and finally turning right onto the B862 to the site entrance.

The turbine blade deliveries will be travelling from Skye and will be carrying the turbine blades. The turbine blades will be escorted by the police as they will leave from the Broadford Aerodrome in Skye and turn on to the A87 and then the A82 to Fort Augustus.

The police escort will ensure the safe movement of these large delivery vehicles throughout their journey. The following table provides details of the planned deliveries that will be police escorted:

Day	Approximate departure time from Corpach	Approximate time of arrival at site entrance*
Wednesday 27 <sup>th</sup> September	9.30am	13.00pm
Thursday 28 <sup>th</sup> September	9.30am	13.00pm
Friday 29 <sup>th</sup> September	TBC	TBC
Day	Approximate departure time from Kyle	Approximate time of arrival at site entrance*
Wednesday 27 <sup>th</sup> September	9.30am	16.00pm
Thursday 28 <sup>th</sup> September	No Delivery	No Delivery
Friday 29 <sup>th</sup> September	9.30am	16.00pm

\* Please note these times are subject to variation at short notice and will depend on weather or traffic conditions.

You can also get delivery updates by following us on Twitter at @stronelaig this feed can also be viewed on the project website [www.sse.com/stronelaig](http://www.sse.com/stronelaig).

If you have any queries relating to these deliveries, or if you would like to be added to the project update list, please contact: Corinna Scholes - Project Liaison Manager
