

Stronelaig wind farm turbine delivery schedule Monday 6th November to Saturday 11th November

Please find below the Turbine delivery movements for Stronelaig. We will also continue to share daily updates through twitter feed @stronelaig and the A82 and Skye road watch groups on Facebook.

Turbine components will leave Corpach harbour to our site just outside Fort Augustus. This route encompasses the local road network, the A830 from the harbour then onto to A82 trunk road heading north and finally turning right onto the B862 to the site entrance.

We have completed all the turbine blade deliveries from Skye for 2017, there will no more blade deliveries from Skye this year.

The police escort will ensure the safe movement of these large delivery vehicles throughout their journey. The following table provides details of the planned deliveries that will be police escorted:

Day	Approximate departure time from Corpach	Approximate time of arrival at site entrance*
Monday 6 th November	10.30am	13.00pm
Tuesday 7 th November	12.30pm	15.00pm
Wednesday 8 th November	10.30am	13.00pm
Thursday 9 th November	10.30am	13.00pm
Friday 10 th November	12.30pm	15.00pm
Saturday 11 th November	10.30am	13.00pm

* Please note these times are subject to variation at short notice and will depend on weather or traffic conditions.

You can also get delivery updates by following us on Twitter at @stronelaig this feed can also be viewed on the project website www.sse.com/stronelaig.

If you have any queries relating to these deliveries, or if you would like to be added to the project update list, please contact: Corinna Scholes - Project Liaison Manager
