

## Stronelaig wind farm turbine delivery schedule Monday 27<sup>th</sup> November to Saturday 2<sup>nd</sup> December

Please find below the turbine component delivery movements for Stronelaig. We expect some challenging weather next week based on the forecast. That may impact our ability to complete deliveries and result in delivery cancelations. We will also continue to share updates through twitter feed @stronelaig which can be viewed on the project webpage, [www.sse.com/stronelaig](http://www.sse.com/stronelaig).

Turbine components will leave Corpach harbour to our site just outside Fort Augustus. This route encompasses the local road network, the A830 from the harbour then onto to A82 trunk road heading north and finally turning right onto the B862 to the site entrance.

The police escort will ensure the safe movement of these large delivery vehicles throughout their journey. The following table provides details of the planned deliveries that will be police escorted:

| Day                                 | Approximate departure time from Corpach | Approximate time of arrival at site entrance* |
|-------------------------------------|---|---|
| Monday 27 <sup>th</sup> November    | 10.30am                                 | 13.00pm                                       |
| Tuesday 28 <sup>st</sup> November   | 12.30pm                                 | 15.00pm                                       |
| Wednesday 29 <sup>nd</sup> November | 10.30am                                 | 13.00pm                                       |
| Thursday 30 <sup>th</sup> November  | 10.30am                                 | 13.00pm                                       |
| Friday 1 <sup>st</sup> November     | 12.30pm                                 | 15.00pm                                       |
| Saturday 2 <sup>nd</sup> December   | 10.30am                                 | 13.00pm                                       |

\* Please note these times are subject to variation at short notice and will depend on weather or traffic conditions.

You can also get delivery updates by following us on Twitter at @stronelaig this feed can also be viewed on the project website [www.sse.com/stronelaig](http://www.sse.com/stronelaig).
