Purpose of Meeting

To inform the group of the status of the Ferrybridge C power station, the Etex gypsum facility, the operations of the Ferrybridge Multifuel 1 plant, the construction of the Multifuel 2 power station and the development of the Ferrybridge D CCGT project.

Meeting Notes

Item	
1	Introductions and Safety Moment
	NH welcomed the group and gave a safety moment based around the importance of using the correct passenger position whilst travelling in a vehicle
2	Review of previous minutes
	Previous minutes agreed by group
3	Project Presentations
	An update based on the slide pack was presented to the group for each facility
4	Matters Arising
	<p>RS raised an issue regarding lorries 'stacking' on the A162, believed to be connected to the FM1 operational facility. CD explained the site procedures that are in place to manage traffic locally and also agreed to contact hauliers to raise the issue.</p> <p>RN commented that adequate notice period should be given to the local community in relation to the upcoming Ferrybridge D formal consultation period.</p> <p>RN asked for information regarding the PEIR for Ferrybridge D and its public availability. JF to feedback at next meeting</p>
5	AOB
	None
6	Date and time of next meeting
