**Subject:** Section 36C application to vary existing Section 36 consent - Keadby 2 Power Station Project

Good morning,

North Lincolnshire Council has been consulted, as the relevant local planning authority, in respect of the Section 36C application which has been submitted to the Secretary of State for Business, Energy and Industrial Strategy by Keadby Developments Limited to vary the Section 36 consent dated 21 December 2017 for the Keadby 2 Power Station project, on land at The Keadby Power Station Site, Trentside, Keadby, North Lincolnshire, DN17 3EF.

The variation application seeks minor changes to the plant layout and dimensions of the main buildings and structures for Keadby 2.

I understand that the date for comments to be issued in respect of this application was 1 October and I apologise for the delay in contacting you.

Please take this email as confirmation that North Lincolnshire Council has no objections or comments to make in respect of the variation application and is of the opinion that the amendments to the scheme will not result in materially different environmental effects.

kind regards

[REDACTED]  
Strategic Development Officer  
Development Management Team
